

ELMER'S
GLUE CREW
RECYCLING PROGRAM™

DROP OFF ZONE

TEACHERS: You helped your students collect them, clean them and save them. Now it's time to recycle them.

Collection begins Earth Day, April 22 through the end of your school year. Walmart People Greeters will be accepting your Glue Crew Recycling Program collection boxes so your empty glue bottles and glue sticks can be properly recycled.

Elmer's and Walmart salute those who continue to **save the bottles, save the sticks and save the planet.**

PARTNERING FOR A BETTER PLANET

Walmart
Save money. Live better.
