

Elmer's Glue Crew Recycling Program™ RETURN LABEL

This package contains empty glue bottles and glue stick cartridges for recycling. Because only certain recyclers accept this type of plastic, we appreciate your help by dropping off this labeled box of empty glue containers at your nearest Walmart store. This will ensure they reach the proper recycler and help protect our environment by reducing landfill waste.

TEACHERS: Please tape the top of your collection box closed to securely contain all empty glue bottles and glue sticks from your classroom, then affix this label anywhere on the top portion of the box.

Please deliver the sealed and labeled box to the People Greeter at your local Walmart store between Earth Day -- April 22, 2009 -- and the end of your school year.

WALMART IN-STORE INSTRUCTIONS:

PEOPLE GREETERS: Please deliver to Claims

CLAIMS: Please send to GM Return Center. No box audit required.

RETURN CENTER: Please send to Authorized Recycler for processing.

**SAVE THE BOTTLES. SAVE THE STICKS.
SAVE THE PLANET.**

PARTNERING FOR A BETTER TOMORROW.
